CambWifi Free

Free public access Wifi is now available in Huntingdon town centre!

It's safe and simple to join:

1 Find **CambWiFi_Public** in your Wifi settings and connect

2 Enter your name and email address, accept the terms and '**Register**'

3 A new web page will open. Click the '**Login**' button. The page will refresh and send you to the Connecting Cambridgeshire website's CambWifi page

(Please note: If you are logging in through a mobile phone or tablet you can click 'Done' to close the screen, but you are still not fully logged in)

4 Check your email* within 10 minutes and verify your email by clicking '**click here**' in the email.
*You may need to check your Junk mail.

5 A new login page will open up - click '**Connect**' and you are now connected!

You will now be logged on automatically when you are in a CambWifi location.

This secure public access Wifi network is provided by Cambridgeshire County Council with the support of Huntingdonshire District Council and additional funding from Cambridgeshire & Peterborough Combined Authority, as part of the Connecting Cambridgeshire digital connectivity programme, so that more people can get online in market town centres.
